Thank you for your response.

Actually my paper (only 1 paper) consists of 8 pages, Is there a problem with this?

Best regard,
Caturwati

Kepada: Caturwati caturwati <n4wati@untirta.ac.id>

Dear Dr. Caturwati,

Unfortunately, we do not publish stand-alone papers in MSF Journal, as it specializes on the publication of thematically complete volumes such as special topic volumes and collections of the selected full-text papers presented at international conferences.

For the special issue, we require at least 15 papers (150 pages).
