Dear Mr Sjaifuddin Sjaifuddin:

We are pleased to inform you that the review process for your manuscript #27093 "ENVIRONMENTAL MANAGEMENT PROSPECTS OF INDUSTRIAL AREA A CASE STUDY ON MCIE, INDONESIA" has been completed and the editorial decision is: Major revision.

The revised version should be submitted as manuscript text in DOC, DOCS, ODF or RTF formats corrected by using Track Changes tools. Additional or supplementary files, figures and references can also be added or replaced at this point.

Authors must address all critiques of the referees in a response letter to the editor and submit it along with the revised manuscript through the online editorial system. Please copy all comments into one document and add your response behind each critique using different formatting to allow easy following of your response. In case a response letter is not submitted by the authors, the editor has the right to reject the manuscript without further evaluation.

We expect your revised version within 10 days, by 03/09/2018, if not sooner. Please kindly inform us if you will need more time to submit the revised version.

Once again, thank you for choosing Business: Theory and Practice as the venue for your work

VGTU Journals (Payments) <journals.apc@vgtu.lt> To: sjaifuddin@yahoo.com Oct 8 at 5:39 PM

Dear Sjaifuddin Sjaifuddin,

Could you please inform us who will pay for publishing your paper "Environmental Management Prospects Of Industrial Area: A Case Study On Mcie, Indonesia".

Please note that we need to receive information about the person (or institution – name, address, Tax ID) who will actually make the bank wire transfer for raising an invoice.

We need you to send us your university details.

Please do not hesitate to contact me if you have any questions.

Review: 
Pictures in the article could be of a better quality. Also conclusions though short and clear, still could be expanded - methods and prospects of possible combination of economic growth and environmental protection explained, detailed.

Review: 

The research area is topical, the research original.

It is necessary clearly describe research limitations, otherwise a lot of questions arise concerning chosen factors.

It is recommended to describe more thoroughly role of industrial organizations cooperation/clustering.

Water security issues, which are directly related to pollution should be mentioned, at least.

Figures are of unpublishable quality.

Dear Mr Sjaifuddin Sjaifuddin:

We are pleased to inform you that the review process of your manuscript #27093 "[ENVIRONMENTAL MANAGEMENT PROSPECTS OF INDUSTRIAL AREA A CASE STUDY ON MCIE, INDONESIA](#)" has been completed and the editorial decision is: Minor revision.

The revised version should be submitted as manuscript text in DOC, DOCS, ODF or RTF formats corrected by using Track Changes tools. Additional or supplementary files, figures and references can also be added or replaced at this point.

Authors must address all critiques of the referees in a response letter to the editor and submit it along with the revised manuscript through the online editorial system. Please copy all comments into one document and add your response behind each critique using different formatting to allow easy following of your response. In case a response letter is not submitted by the authors, the editor has the right to reject the manuscript without further evaluation.

We expect your revised version within 7 days, by 11/10/2018, if not sooner. Please kindly inform us if you will need more time to submit the revised version.

Once again, thank you for choosing Business: Theory and Practice as the venue for your work.
