Dear **Teguh Kurniawan**,

We are very pleased to announce that in less than 1 month, your paper «Effect Hydrothermal Synthesis on Mordenite Properties and Ammonium Adsorption» w «**Materials Science Forum Vol. 1057**».

In your scientific.net account, you can view the PDF version for your personal us

Your login credentials are:
Login: teguh@untirta.ac.id
Password: CNVVT243

Please, go to the upper left corner and choose 'Published Papers'.

In your author account, you will find information about additional opportuniti OFFPRINTS.

In case your organization agreed to a special OA price with Trans Tech Publi special price in your author account. Otherwise, you will find journal regular A applies.

We hope you enjoyed working with us. For us, it has been a pleasure to collabora touch soon for further publication opportunities with Scientific.net!

Please contact us for questions and further information at authors@scientific.net.

Best regards,
The Publishing Team, Scientific.net
