Dear Colleagues,

It is our pleasure to present the April 2021 issue of the International Journal of Advanced Computer Science and Applications (IJACSA). Current issue is published at the following link: [IJACSA Volume 12 Issue 4 April 2021](#)

We hope this was a wonderful experience for you and we kindly request you to disseminate information about issue publication among your colleagues and fellow scientists, so as to achieve increased readership for all articles. Please do read the other papers published in our journal and consider citing them in your future publications. For future paper submissions, please refer to the [Call for Papers](#).

Further Steps:
All papers published in IJACSA are assigned individual DOIs. The DOI information for each article is available at the respective web page of that article. Each published paper also has a dedicated web page with all the information about the paper that is linked to the respective DOI. However, it may take a few days for DOI records to be updated at CrossRef.

The papers of this journal are submitted for indexing to Web of Science, Scopus, Semantic Scholar, Inspec (IET), EBSCOhost, Microsoft Academic Search. The indexing process normally takes about 8-10 weeks to complete.

Wishing you all the best and hope to hear from you soon.

Dear Editor,
IJACSA
Science and Information Organization (SAI)

Thank you for notifying the revision of my paper entitled "The Proposed Design of a White Sugar Industry Supply Chain System based on Blockchain Technology". Next, I will send back the paper that I have corrected and I hope it is in accordance with the provisions of the paper that is considered worthy of being published immediately in IJACSA April 2021. I thank you once again.

Regards,
Ratna Ekawati
