Besides this, your name is registered in reviewer team members and also updated on our online database. For every subject area, there is a unique code subject code (For complete list visit <http://www.astesj.com/en/content/leaders/0016/05/Issue1-Scores.html>). Your reviewer code looks like "A_JR00000". Send me your CV and Mobile No so that I would update it in our database.

Benefits of reviewer code are listed below:

1. Using the reviewer code, you are able to get a voucher of USD 10 for each paper that you have reviewed. This voucher can only be used during the payment of publication fee for a paper that is accepted in ASTESJ.
2. After reviewing more than 10 papers for ASTESJ, you are able to apply for regional editorship.
3. During manuscript submission to ASTESJ, you should mention the reviewer code in the cover letter section. Once our online system confirmed your code with your registered email address, your paper will be put on express tracking which speeds up the review process for your manuscript.
4. The reviewer can check its own file using Turnitin Plagiarism Checker. Note that the maximum one file per month can be checked.
5. You are eligible to propose a special issue for ASTESJ. Follow the link to submit your proposal. https://astesj.com/sp_proposal/

You can search your code on the link given below.
