Dear BEST conference committee

Regards

Here I attach an article that I have corrected according to the direction of the committee where the content is in accordance with the requests of the reviewers (marked in yellow).

More on conformity with the template and for additions to the introduction of the latest research and conclusions that are more specific about the content of the article, while the conclusions written previously are put into discussion.

Hopefully it can be accepted and can be published in proceedings or journals.

I would like to express my gratitude

Regards
Ratna Ekawati
