Dear Authors,

Thank you for submitting your manuscript to BIOTROPIA Journal.

We would like to inform you that currently your manuscript is still in review process.

In regards to this situation, we would like to request your confirmation on whether or not you still want to publish your manuscript in BIOTROPIA Journal.

If you choose to continue publishing your manuscript in BIOTROPIA, we will continue the review process. For your information, the soonest publication of your manuscript will likely be in 2021, without any guarantees. It will be a great help if you could assist us by proposing other experts to be the reviewers.

However, should you choose to withdraw your manuscript from BIOTROPIA, then we need to obtain a cover letter stating that all authors of the manuscript have agreed to withdraw the manuscript from BIOTROPIA and the reasons of withdrawing the manuscript from BIOTROPIA. The cover letter must be signed by all authors of the manuscript. The withdrawal process is in accordance with BIOTROPIA withdrawal policy at <http://journal.biotrop.org/index.php/biotropia/about/submissions#authorGuidelines> and the cover letter template can be found in <https://goo.gl/s2p5JX>.

We look forward to receiving your confirmation as soon as possible.  
Should you need further information, please feel free to contact us at this email address.

Thank you very much for your kind cooperation.

Sincerely,

Sri I. Soerianegara  
Publication Assistant

Kepada: Achmad NP Putra <putra.achmadnp@gmail.com>

27 Mei 2019 09.28

Dear Authors,

We are glad to inform you that we have received the external review results of your manuscript from well-known experts. Please check the review form and the reviewed manuscript (if available) and note the comments/suggestions/answers to questions of the reviewers.

As the journal will have to be published soon, we request you to incorporate the reviewers' comments/suggestions/answers to questions in the manuscript as soon as possible, not later than 10 June 2019.

We also attached the table of responses to the reviewers' comments. Please list the corrections and mention the line numbers where the changes were made. If you disagree with comments or suggestions from the reviewers, please fill the column responses by stating the reason as a clarification to the reviewer's comments.

We look forward to hearing from you. Thank you very much for your kind attention and cooperation.

Best regards,

Rima Febriana  
Managing Editor

Dear Authors,

Good afternoon!

We are pleased to inform you that the final version of BIOTROPIA Vol.27 No.1 April 2020 Issue has been available at BIOTROPIA OJS (<http://journal.biotrop.org/index.php/biotropia/issue/view/68>). The information of your published article could also be found at BIOTROPIA Facebook Page at <https://id-id.facebook.com/biotropiajournal/> and SEAMEO BIOTROP Instagram Page at @seameobiotrop. In order to promote your article, please kindly share our post related to your article on the page in your FB and IG timeline.

Thank you and have a great day!

Regards,  
Zanne
