THE ROLE OF OWNERSHIP'S CONCENTRATION MODERATING OF DIVIDEND POLICY EFFECTS ON FIRM VALUE: A CASE STUDY OF COMPANIES IN INDONESIA

Dear Colleague,

Thank you for your submission to IJEBA. To proceed further it is required to adjust your manuscript in our template following the sample article attached. Make an identical copy, same fonts, page size, margins, style of abstract, style of references, tables, figures etc., perfect in English (professional proof reading) and send it back to me in a word file. The evaluation process will start as soon as we receive the perfect manuscript. The evaluation process is for issue 2 2020 coming out in May-June. The latest Scopus CiteScore index for the journal is 2.18 (top 20% in the list) in two disciplines Economics and Econometrics and Business Accounting and Finance. Take advantage of a remarkable publication.

Please note that the publication period is from 1 to 3 months depending on the number of revisions needed, your correspondence to our e-mails and how fast you will reply and fulfil the publishing requirements (verification of the final version, correction stages, fee payment, length of the article etc). The minimum service fee for an article up to 10 pages and 2 authors is 800 euro (effective 01.01.20). If you are interesting we kindly ask you to verify the process and send your new version in word format to this e-mail as soon as possible.

Kind regards,

--
